From An Outreach Perspective

In recent years, the Archdiocese has established small shelters to provide housing for the homeless. These shelters have proven to be highly effective in helping people leave the streets and reintegrate into society.

Currently, there are two shelters located near my home. The occupants of these shelters are truly remarkable individuals who lead simple yet meaningful lives. They are kind, humble, and gentle in their interactions with others. One particular man was baptized this past Easter after he came to faith through the help of parishioners and the Church. The simple acts of kindness and compassion he received helped him realize that he was loved, wanted, and adored by God, regardless of his past actions or life circumstances. Thanks to the support he received, he was able to secure a job and an apartment of his own. This is just one of the many success stories that have come out of our tiny shelters, and there are many more.

If you are interested in supporting this worthy cause, there are several ways to get involved. You can visit www.halifaxarmouth.org for more information or call 902-429-9800 ext. 309 to donate. Additionally, giving your time to interact with the occupants can be just as valuable as financial support. And of course, never underestimate the power of prayer.

Prayers For Those Making Their First Communion

Please continue to keep in your prayers all those who made their First Confession this past Saturday, April 13 and will make their First Communion next Sunday, April 21.

The Gospel Of Mark & Knitting - Everyone Welcome!

Come and watch the Gospel of Mark on Formed, this Monday night, April 15 at 7:00 pm in the Currie Room. We will also be knitting hats for those less fortunate.
